One of the most highly interesting ever witnessed in Fort Pierce was the presentation of "Uncle Zeke" by the Raymond D. Crawford Company, at the Crystal theatre last Friday evening. This company consisted of twenty members, including a splendid band, who in "rube" costume paraded the streets and gave an interesting concert out of the theatre before the opening. Probably the largest crowd that witnessed a theatre production in Fort Pierce, gave frequent vent to their approval of the performance by a round of hearty applause.
